FALL 2026

WITH YOU, EVERY STEP OF THE WAY

OUR NEXT MILESTONE IS TAKING SHAPE

At Paseo Credit Union, we are building on a strong foundation while looking ahead to the future. Our commitment to personalized service, trusted relationships, and putting our members first remains at the heart of everything we do.

Our evolution reflects the growth of the communities we serve. Following our community charter expansion in 2023, we broadened our ability to serve members throughout the San Gabriel Valley, creating new opportunities to make a meaningful impact across the region.

Paseo Credit Union represents more than a new name. It reflects our vision for the future: expanding access, strengthening community connections, and helping more individuals and families achieve financial well-being. While our brand has evolved, our purpose remains the same. We are proud of our legacy and even more excited about what lies ahead as we continue growing alongside the communities we serve.

Welcoming The Paseo Way

As Paseo Credit Union, we are proud to invest in the people and communities we serve. Participating in events like the Pasadena Latino Heritage Parade & Festival and the FHCCGLA Breast Cancer Awareness Resource & Health Fair allows us to connect with our neighbors, celebrate diverse cultures, support important causes, and provide resources that help strengthen our communities. Thank you to Lake Branch Manager Diana H. and Bell Gardens Branch Manager Maria C. for representing Paseo Credit Union and helping us make a meaningful impact beyond the branch.

International Credit Union Day at Paseo

On October 15th, we celebrated International Credit Union Day®, a global observance that recognizes the history, achievements, and mission of the credit union movement. Pictured are team members from our three branch locations proudly wearing their ICU Day pins in support of the credit union philosophy of people helping people. We are grateful for their dedication and service they provide to our members every day.
