Annual Meeting 2025: Celebrating 90 years

We had a wonderful time at our 2025 Annual Meeting at Cafe Santorini, where members and our team came together to enjoy delicious Mediterranean food under the warm, sunny skies of Pasadena. It was a special afternoon of connection, conversation, and celebration as we honored 90 years of dedicated service to our community.

President & CEO James Chang reflected on the credit union's history and deep roots in Pasadena and also recognized Beverly Knapp for her 9 years of service on the Supervisory Committee and as a loyal member of PSFCU and PFCU.

We look forward to growing together for years to come!

Transforming creative ideas into reality with Lift LA

Our team had the incredible opportunity to join Lift LA's Shark Tank sessions as guest judges, where we witnessed firsthand the creativity, passion, and entrepreneurial spirit of aspiring business owners. From innovative product ideas to meaningful community-based services, it was inspiring to see participants, many of them students, bring their business dreams to life with confidence and heart. The winners received seed funding to help jumpstart and invest in their business ventures. Our Branch Managers Veronica Reigelman and Daniel Herrera, Social Impact Manager Rick Flores, and CEO James Chang, were also guest judges in the sessions.
