102nd Annual Board Installation Gala

Pasadena FCU team members Diana, Veronica, Maria, and Rick attended the 102nd Annual Board Installation Gala hosted by the Bell Chamber of Commerce. The evening celebrated community leaders, local businesses, and public servants who continue to make a difference in the region. Among the honorees was our very own Diana Herrera, who received the Public Affairs Award in recognition of her outstanding dedication and commitment to the community—a well-deserved honor for her continued efforts to build strong partnerships and uplift those we serve.

In addition to the award ceremony and board installation, the celebration was filled with lively entertainment, including a salsa dancer, an Elvis impersonator, and plenty of great food and drinks. The event was a wonderful reminder of the value of community connection and the importance of recognizing those who go above and beyond to make a lasting impact. Congratulations once again to Diana for this incredible achievement!

From our PFCU family to yours

Our team recently gathered for a fun and energizing team-building event at Dave & Buster's in Arcadia, where we celebrated not just each other, but the strong spirit of unity that defines our credit union. Events like these remind us of the importance of collaboration, connection, and shared purpose; values that mirror the very heart of the community we proudly serve. As we continue to grow together, we want to take a moment to thank our members for being the reason we do what we do. Your trust and support fuel our commitment, and we're grateful to be part of your financial journey. Happy holidays!
